BRUINS DEFEAT CARDINALS;
TWO INJURED IN AUTO CRASHBERKELEY PAIR
HIT WHEN CAR
IS OVERTURNED
IN COLLISION

Two people were injured and three others had a narrow escape from death in an automobile collision at the corner of San Pablo avenue and Cutting boulevard at 4:30 o'clock yesterday afternoon.

The injured: W. H. Newberry, 2011 Parker street, Berkeley, broken ribs and severe lacerations.

Mrs. W. H. Newberry, cuts and bruises, broken ribs.

The accident occurred when a machine driven by Clifford White, 1817 Brush street, Oakland, collided with a car driven by W. W. Baldwin, 1920 Clement street, San Francisco. Baldwin's machine, containing Mr. and Mrs. Newberry, was overturned by the crash, and the occupants pinned beneath the car. White was driving toward Oakland on San Pablo while Baldwin was starting to turn off San Pablo onto Cutting boulevard.

In White's machine was Barney Coren, also of 1817 Brush street, Oakland. The two men escaped with minor injuries.

Mr. and Mrs. Newberry were rushed to the Abbott Emergency hospital here where first-aid was rendered. Later they were taken to the Cottage hospital.

Yesterday's accident was the second to occur at the corner of San Pablo and Cutting within the past few days. Arthur McCall of Oakland having been killed in an accident there Friday night.

Clarence King, son of Mr. and Mrs. P. G. King, underwent an operation for the removal of his tonsils yesterday.

Says Wife Was
Implicated in
Bandit Slaying

CHICAGO, Nov. 24—Otto Malm, paroled slayer whose confession to the murder of Edward Lehman probably will result in the release of Walter Bockelmann and the girl whose story accused him, told police today that either his wife or he killed Lehman.

"My wife, a dead shot with either hand, fired twice, and I shot several times before Lehman dropped," he said.

Lehman, a night watchman, was shot down when he surprised a man and woman breaking into the Deison Company plant the night of November 5.

Two Are Arrested
In Police Raid

Two women were arrested in a raid by local police last night at 1818 Macdonald avenue. Mrs. Dorothy Bucking, who runs a soft drink parlor, was arrested charged with running a disorderly house, and bail set at \$250. Miss Anna Stebler, also of 1818 Macdonald avenue, was arrested on a charge of vagrancy and bail set at \$100.

Murder Verdict
Returned by Jury

A murder verdict in which no responsibility was placed was returned by a coroner's jury at Crockett following investigation into the death of Alfred Speranzini, shot to death in a Crockett lumber yard two weeks ago. Two witnesses testified to having heard the shot fired but were unable to throw any light on the crime. Officers are still hinging their investigation into the slaying of the contractor on the theory that business troubles are involved.

Tentative Plans
For Memorial
Building Made

Tentative plans have been approved by Richmond Post No. 10, American Legion, for the new memorial building for war veterans in Richmond. James T. Nabrett, local architect and chairman of the joint committee of veterans' organizations, has practically completed the plans, and it is planned to start building construction as soon as the last of the county funds are available in April.

It is planned to have a two-story structure of monumental architecture and tile and stucco construction. The building will be 44x100 feet in dimensions and will front east on Twelfth street, just south of Macdonald avenue.

A ballroom 40 by 80 feet will be on the main floor, which will also contain men's lounging and clubrooms, a billiard room, hat and cloak rooms for ladies and gentlemen, lavatories, etc. The second floor will contain two lodge rooms, lobby and ante room.

Sixty-five years ago 90 per cent of all carpets and floor covering used in the United States were imported; today not 2 per cent are imported.

RICHMOND MAY
JOIN EAST BAY
UNITED CHAMBER
TO DISCUSS PLAN

Richmond has been invited to send a representative to a conference to be held in the rooms of the Oakland Chamber of Commerce, in Hotel Oakland, on December 5, when plans for forming a United Chamber of Commerce for the bay cities will be discussed.

The movement was started some weeks ago, and the first formal meeting was held on November 19 when the idea and plan were given discussion by representatives of the chambers of commerce of San Francisco, Oakland, Berkeley, Alameda and San Leandro.

Subject Up Monday
The subject will be brought up at the luncheon at Martin's Grill Monday at 12:15 when the committee of 100 engaged in organizing a new Chamber of Commerce in Richmond will meet and reach plans for the closing of the canvass which was started about ten days ago.

"It is unfortunate that Richmond is without a Chamber of Commerce at this critical period in the development of Northern California, but by the first of the new year we believe we will have a first-class organization with a tangible program mapped out," said Henry A. Johnston, president of the Richmond Rotary Club and a team captain in Mayor Scott's Jack Rabbits division.

Johnston's Effective Work
Henry Johnston has been doing some effective work in the campaign for \$20,000 and is tied for third place with E. M. Downer, these two being out-ranked by Captain E. B. Bull, of the Greyhounds, and Captain J. P. Strom, of the Jack Rabbits.

At Monday's luncheon the standing of the teams is scheduled for a shake-up, as some of the men have been putting in hard licks to guarantee delivery of the amounts underwritten by them last week.

Chairman Merry is anxious that all team captains be on hand for Monday's luncheon, as a number of matters of vital importance in closing up the campaign will be up for disposition.

Finds Stolen Car
in Canyon Park

While exercising his horse in Grand Canyon park yesterday morning, "Cowboy" Dick Millevich discovered a Chevrolet car that had been stolen from M. Montgomery of Franklin, Pennsylvania, in Oakland last week.

No great damage was done to the car, although most of its accessories were taken.

Montgomery, owner of the car, is visiting his brother here at 44 Noebell avenue, Point Richmond.

RETURNS FROM TEXAS

Returning from a visit with relatives and friends in Texas, southern California, Kansas and Minnesota, Bessie Dilly arrived here yesterday.

Two Thought to
Have Burned in
Tijuana Fire

TIJUANA, Mex., Nov. 24—At least two persons died in the disastrous fire which swept Tijuana's world-famous resorts late yesterday, an investigation revealed today.

One was a motion picture actress of unknown name, the other a Chinese opium vender, said to have been Le Shing, who perished in "the laundry," said to have been an opium den. Flames ate up one-third of the quaint town in scarcely an hour, entailing a loss of \$300,000 in liquor stocks, \$200,000 in buildings, equipment and gambling devices, and possibly \$300,000 in illicit drug caches.

Actress in Stupor
The actress was lying in an opium stupor, friends who had accompanied her from Hollywood say. They vanished without being identified by authorities.

Religious zealots of the native section see in the blaze a visitation of divine wrath on the saloon town like that described in the Biblical story of its ancient prototype, Gomorrah.

Failure to Provide
Charged in Suit

Charges of intoxication, frequent beatings, in which she was knocked to the floor, and failure to provide for her, are combined by Mrs. Edna Hawkins of Richmond in suit for divorce she instituted at Martinez against Alfred Hawkins, brakeman for the Southern Pacific railroad. Mrs. Hawkins asks custody of a son and \$25 a month for the child's support. The couple were married in 1920.

For some time, Mrs. Hawkins claims, her husband has failed to provide her with necessities and she has been forced to work.

ONE RICHMOND
PLACE HIT UNDER
SUITS FILED BY
COUNTY OFFICER

Continuing his war against illicit liquor dispensing with increased vigor, District Attorney A. B. Tinning yesterday filed in Superior Court seven suits seeking to invoke the abatement provision of the Volstead Act against five hotels and two other establishments, all of an estimated value of \$75,000. The majority of the suits are directed against Crockett and Valona establishments, with one aimed at the Rogers Hotel at Walnut Street.

Accompanying the liquor abatement suits the District Attorney filed one action under the red light abatement act directing it against an establishment in Richmond known as the North Richmond Cafe.

Filing of the suits brought the number of such actions instituted by Tinning to almost forty. All actions ask that the establishments named be closed for one year and for sale of all equipment found in them.

The seven liquor abatement suits name the following defendants:

Alexander Pezuto, Mary Pezuto, T. J. O'Leary and F. W. Hutchison as trustees and First National Bank of Crockett. Property located in Valona and known as "Pezuto's Place."

Antonio Peters, property located in Valona and known as "Park View Hotel."

Manuel S. Rose, E. M. Downer, L. E. Hart as trustees, Bank of Pinole. Property located in Crockett and known as "The Pastime."

Frank and Johanna Gorich and John Gallo. Property, hotel located in Valona and known as "Gallo's Place."

W. A. Rogers and San Ramon Valley Bank. Property in Walnut Creek known as "Rogers Hotel."

Cornelius D. Crowley and Jerry Buckley. Property in Crockett known as "Bird Saloon."

The suit under the red light abatement act is directed against Katherine White as owner and Lydia C. Angle, Dan Rose, and Ruth Starr. Tinning asks that the North Richmond Cafe be adjudged a nuisance, closed for one year and all equipment sold.

BLOCKED KICK
GIVES TALLY
TO CALIFORNIA;
SCORE 9 TO 0

The California Bear retired to its den last night, victorious, for Stanford was downed 9 to 0 in the annual big game.

At times during the contest the Bear growled, showing its teeth as it fought yard for yard against the Cardinal. And the Bruins won, but only after one of the hardest fought battles seen between the two universities for many years.

California's scores came from breaks—but California made the breaks and played them to the limit. The only touchdown made during the game came in the second quarter when Horrell, Bruin center, blocked Nevins' kick behind the Cardinal goal posts and fell upon the ball.

The second score for the Blue and Gold came during the last stage of the fourth quarter when a drop kick by Blewett of California was blocked and the ball was caught by Campbell on his own five-yard line. In an effort to elude California tacklers Campbell ran behind his own goal line and was downed for a safety.

The contest was witnessed by a crowd variously estimated at from 75,000 to 100,000. The gigantic stadium was packed as were the hills back of the bowl and every other place of vantage from which the gridiron could be seen. Rousing orations were given the two teams when they entered the field and the bleacher stunts added to the gaiety of the occasion.

The game was a fight from start to finish. Getting off to a poor start at the kickoff, California gradually fought the Cardinals back through exchanging punts and the beginning of the second quarter found the play practically entirely in Stanford's territory until California's touchdown had been made.

Near the close of the first half Stanford staged a rally, forcing the ball from the center of the field down within striking distance of the Bears' goal line through straight line bucks and end runs. With the ball on California's eleven yard line, and eight yards to go, Stanford elected to try a forward pass which was intercepted by Newmeyer who made a 38-yard run, bringing the ball to the 40-yard line as the half ended. From that time on the California goal was never seriously menaced.

Four field goals, tried by Blewett, failed by narrow margins.

The lineups at the start of the game were as follows:
Stanford—Thomas, le; Shipkey, rt; Cravens, lg; Baker, c; Bayliff, rg; Johnston, rt; J. Lawson, re; Campbell, q; Wheat, lf; Cleveland, rn; Nevins, fb.

California—Hufford, le; Newmeyer, rt; Perry, lg; Horrell, c; Carey, rg; Beam, rt; Mell, re; Evans, q; Nichols, lb; Dunn, rn; Whittier, fb.

New Books Are Received At Local Library

The following new books went into circulation at the Public Library yesterday afternoon.

If there are any of them that interest you especially call at the library or telephone and have them reserved for you.

"A Simple Course in Home Decorating," Piles, 923—This book gives the historic background essential to a clear understanding of the decorative periods, devotes some chapters to the national periods in decoration and furniture and then comes down to the practical facts of color, interior finish, rugs and carpets, curtains and furniture.

"The Colorado River, Yesterday, Today and Tomorrow," Freeman, 1923.—About the finding of the river and the harnessing of it for power. The author says in his foreword, "On the finding of the river I have written but three chapters; on the finding of the river there are sixteen. They have been finding the Colorado for nearly four hundred years; finding it is just being discussed."

"Men, Maidens and Mantillas," May 1923.—Interesting account of the author's travels in Mexico, Central America and South America. Her connections gave her access to many homes in the various countries, hence she says, "To describe people rather than places."

"Everybody's Complete Etiquette," Learned, 1923.—Good manners are the neutral expression of an inward orderliness, a traditional respect for beauty.

"The Romance of Coal," Gibson, 1923.—A popular account of the origin and nature of coal, the forces and qualities, destructive or beneficial which lie latent in it; the great variety of uses to which they may be turned in science, art and industry.

"Robert E. Lee," Drinkwater, 1923. A play founded on the life of Robert E. Lee written by the Englishman who is also author of the famous play "Abraham Lincoln."

"Practical Amateur Photography," Davis, 1923.—The first book in a new series to be known as the "Useful Knowledge Books." Everything that the amateur photographer needs to know is given in form compact, but not too sketchy, and presented tellably and readably.

"The Romance of Excavation," Mac-

Pioneer Class Hikes To Canyon

The Pioneer Class of the Community Methodist Church, South Sunday School met at the church on 21st and Roosevelt early yesterday morning and under the leadership of Rev. M. H. Greenlee went on a half-day hike to "Grand Canyon" where they reveled in the kind of games that boys love to play. After the boys had played enough to exhaust just ordinary fellows they gathered around the campfire and had some real eating. Rev. Greenlee is an experienced boy worker and he knows how to show his boys a good time. Many other hikes and interesting activities are planned for the future for the class.

ter, 1923.—Due to the interest stirred by the discovery of the Tomb of Tutankhamen the author tells the fascinating story of the men who have gone out into the desert places all dug up long lost cities and the fabled treasure of ancient kings.

"Social Life in Ancient Egypt," Petrie, 1923.—Another book for those whose interest in ancient peoples has been stimulated by recent excavations.

"California Poultry Production," Eason, 1923.—Author says the endeavor of this book is to describe and relate the improved poultry practices in California which are apparently giving the most profitable results.

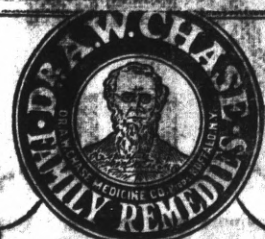

"Field Hockey and Soccer for Women," Frost and Cumberly, 1923.—These are comparatively new games to the American public. Although this book tells how the games are played by girls and women, most of the suggestions are applicable to the games as played by boys and men.

"Cures, The Story of the Cures That Fail," Walsh, 1923.—Includes personal healers, drug cures, absent treatment, hypnotism, manipulation cures, mystic cures, psychoanalysis and Cures.

Troubles, Constipation, In-

Liver trouble leads to serious ill. And a sure sign of liver trouble is biliousness. If you have attacks of headache, if you have a coated tongue, if you have a sickle appetite, you probably are bilious—which may lead to derangement of the liver and to serious and quite often fatal results. Read this strong endorsement of Dr. A. W. Chase's K-L Pills. Mrs. J. J. Stone, Route No. 2, Bazley, Ga., writes:

"For a number of years I have been troubled with my kidneys, liver and also my heart. I find Dr. A. W. Chase's K-L Pills a wonderful remedy. They certainly are the finest I ever used. I would not be without them in my home and take great pleasure in recommending them to my friends."

You can buy Dr. Chase's K-L Pills at all drug stores. To be sure of getting the genuine, see that portrait and signature of Dr. A. W. Chase, M.D., are on each box—your protection against imitation.

Gold Stock Price To Jump

When the permit is issued to the Gold Mines, which will be month, as per arrangements the State Corporation Department, that Department is to name the selling price of the stock up to \$20,000, and thereafter.

It has been stated in these columns, the Wonder Mine joins the 6-1, the Tighter, Rainbow and other famous gold mines at Allentown, which have been and are taking out millions for their shareholders, and examination and report by the best mining engineers California highly recommend the Wonder.

George W. McPherson, local fiscal agent, has the pre-organization list of the Wonder in charge and now on that list many of Richmond's prominent people, business men, officials and citizens generally. This unusual offer is made in order to secure quick action and get machinery and winter supplies to the mine before the snows get too deep. Subscriptions are on an easy monthly payment plan. High grade has been found on the Wonder, as well as the great ledge of profit-making ore, and there is no question about it whatever, but mere question of equipment and development.

The Richmond stockholders of the Wonder mine in that same section, have an offer of three to one on their investment, made a year ago, and it is anticipated by competent authority which has investigated both properties, that the coming year must be one of much profit to all concerned in both the Wonder and the Wonder.

Stock of the adjoining mines to the Wonder cannot be purchased at any price, and the first high grade chute encountered by the Wonder will soar that stock to somewhere in the neighborhood of from \$5 to \$20 the share. That, at least, has been the experience of its famous neighbors. Those wishing to participate on this limited pre-organization list, will please call on telephone George W. Children Attend Family Reunion

The children had come from near and far to visit the old folks on Thanksgiving. It was a family reunion—the first one in several years. The home never looked so bright and gay as on this happy morning, mother's face was smiling as she viewed her children. Her thoughts went

to the dim past when her babies kept her busy rearranging the home after their day of childish play was over and they were tucked in their beds.

The children were all married now. The old folks kept the home fires burning brightly through the years they had been left alone. The old folks thoughts were all in the past, and the children had left upon their own journeys in life, there was still love in the old home—real love.

Mother insisted that she be allowed to prepare the thanksgiving dinner all alone. She explained that she wanted to feel that her children were babies again. Several of the children objected to this plan reminding Mother that she was not so strong as she had once been, but mother insisted and finally the girls had to let her have her own way.

Soon the dinner was served—it was a real dinner—the kind that mother had outdone all previous efforts in her always excellent cooking.

"Why mother," George, her youngest said, "you seem to be getting better at cooking than you were before Ethel and I were married."

The daughter, too, thought that mother had outdone all previous efforts in her always excellent cooking.

"Well, children," mother explained, "my cooking is no better than it has always been." "The only difference is that I have a New Wedgewood Range with the Thermostat Oven Heat control that takes the guess work out of cooking. I know just how long to leave things in the oven—and they don't burn."

Viola Dana Is Entertainer in Macdonald Film

Aided by the best screen vehicle she has ever had, dainty little Viola Dana provides the most delightful entertainment to be seen in many a day in her Metro picture, "A Noise in Newboro," now at the Macdonald Theatre. This new comedy-drama proves a happy combination of swift-acting, with just enough fine pathos to spice it.

Miss Dana is more winsome and delightful than ever. She moves thru the picture with lovely grace, interpreting each situation with incomparable skill. And she has untold opportunities to reveal her versatility.

This talented little star interprets both pathos and light comedy with deep sincerity. She plays the role of a girl who was neglected in her home town because she was poor. Martha resents

the littleness of Newboro and resolves that someday she is going to rouse these worthy citizens from their small-town complacency. After she becomes a famous artist in New York, she goes back to Newboro and she is more than successful in making a noise. What a wonderful big noise it is! And Newboro won't forget it soon.

Miss Dana is supported by a particularly fine group of players, among whom are David Butler, Eva Novak, Allan Forrest, Betty Francisco, Alfred Allen, Malcolm McGregor, Joan Standing and Bert Woodruff.

The screen version was prepared by Rex Toylar from the story by Edgar Franklin. The picture was photographed by John Arnold.

Kidney Trouble and Rheumatism
Alameda, Calif., June 23, 1923.
Last winter I suffered with terrible rheumatic pains in my back and legs. At night the agony prevented me from sleeping. My bladder and kidneys also bothered me and I was miserable in the extreme. No treatment afforded me any relief until I began to take the FONG WAN HERBS. After having taken them for about eight weeks I was completely cured and have had no pain since. I am now free from all my former complaints.
A few months ago my husband was troubled with indigestion and a sore stomach. He was unable for some months to retain his food. He took the FONG WAN HERBS for only one week and he has felt well ever since.
About the middle of April, 1923, my daughter's foot became swollen and painful. A big cancer began to form in it and the pain became so severe that she could not sleep for weeks. We had a physician attending her, but the pain instead of subsiding extended to her knee. There was evidence that her kidneys and bladder were also in bad condition.
Finally we consulted our former herbalist, Fong Wan. After having taken the first package of herbs, which I cooked for her to drink, my daughter slept all night. After three weeks of the herbs she was able to go back to school with her slippers on. Now the swelling has entirely gone. Had it not been for Fong Wan's skill her foot might have been cut off. Because of gratitude for health regained, my husband joins me in signing this testimonial.

RHEUMATISM PAINS ARE NOW IN SEASON

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly, keep the feet dry, avoid exposure, and above all, drink plenty of good water and avoid eating sweets of all kind.

Rheumatism is caused by body waste and acids resulting from food fermentation. It is the function of the kidneys to filter the poison from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this waste and acids, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove waste matter, also to stimulate the kidneys, thus often riding the blood of rheumatic made from the acid of grapes and poison.

Jad Salts is inexpensive, and is used with excellent results lemon juice, combined with lithia, by thousands of folks who are subject to rheumatism.

VARSITY-ALUMNI QUINTET GAME CAUSES INTEREST

Local basketball fans are eagerly looking forward to the annual game between the Richmond high school and Alumni cage teams, to be played on Friday evening, December 14, in the high school gymnasium.

For the first time in many years the Alumni hoopers are given more than an even chance to trim Coach Hill's squad. The city league will give the players a chance to get in good shape, lack of victories often deprived them of victories in the past.

The contest will be the first for the high school five, and will give Coach Hill an opportunity to get a line on the candidates for the team. Some of the leading candidates for places are George Cornell, Pat Chatleton, Ray Campbell, Bunny Muth and Rowdy Dyer.

The J. C. Penny store baseball team of Richmond will cross bats with the Kenny Park team of Berkeley this afternoon at Kenny Park. The locals will line up as follows: Gillon, 2b; Glum, rf; Muth, c; Barbieri, ss; Jordan, 3b; Gaudin, lf; De Bare, cf; Villalobos and Murray, p.

Basket shooting, passing and other fundamentals of the game occupied the first practice of the season held by the Junior Elks cage team last night at the high school gym. The quintet contains a number of former high school stars in its lineup and appears to be the team to beat in the commercial hoop league.

The players to wear the colors of the junior organization in league play include Harry Bonham, Francis Healey and Gay Vargas, all former Richmond high school stars.

After two weeks of inactivity while the Pierce Giants were on the road, Pierce Field will again resound with the crack of ball against bat today when the colored tilters and the San Jose Stars clash in a contest starting at 2:30.

The following lineups for the tussle have been announced: Pierce Giants—Lumpkins ss; Meadows, cf; G. Davis, lf; Kenchen, 2b; Martin, 1b; Richards, c; Reid, p; Ross, rf; T. Davis, 3b; Morris, p; Simpson, utility.

San Jose—Chittick, rf; Woods, 3b; Limbsey, ss; Oliver, cf; Erick, 1b; Martinelli, c; Parkerson, lf; Lathrop, 2b; Adcock, p; Mezza, p; Vierra, p.

Dick Austin, well known basketball and baseball star, has been signed to play with the Velle Motors in the Spalding Mid-Winter Baseball League. Austin will play basketball with the Mercantile Trust company five in the Commercial League here this winter.
